# Testimonials - Coaching Programme

I Always considered myself to be organized and in control. Then I was recommended to Althea Walters. One of the best experiences. Never realized I needed a Coach until I got one. A very beneficial experience both personally and professionally, led by an awesome coach! - S. Spence

"I must commend you on your exceptional coaching skills. Your passion for imparting knowledge and guiding individuals towards excellence shines through in every interaction. Althea Walters, as my dedicated coach, left an indelible impression.

I wholeheartedly recommend you as a trainer and coach to anyone seeking to enhance their managerial and leadership capabilities. Your dedication, attention to detail, and profound knowledge in this field have left a lasting impact on me, my colleagues and countless others who have had the privilege of learning from you."

- Renee Grant
